FROM THEIR ROYAL MAJESTIES TORIN AND ELISHEVA

Unto the Noble Kingdom of the Outlands do we, Torin and Elisheva, King and Queen, send warm greetings.

We are sorrowful to announce the death of one of the finest artisans in Our Outlands. Lord Giles Wickham of Nahrun Kabirun has joined our other Outlandish brothers and sisters in their passage to a new life. By the time you read this, We will have given unto him, posthumously, membership into the order of the Argent Hart. Before we were informed of his passing, it was Our intention to do this at Citadel Twelfth Night. Lord Giles was a man of great knowledge and of envious skill in the arts. The fruit of his teaching and encouragement is even now blossoming in his shire. He was a man of honor, a man of duty, and a fine example of how we strive to model ourselves in the SCA. We cannot give enough thanks to Lord Giles for his service to his shire and to his kingdom. We will miss him dearly.

There will be a memorial erected to honor Lord Giles during Our reign. It will be crafted as many Viking runestones once were to honor their dead. This shall be created by the hands of HRM Torin and Master Tore on the cliffs of Mistress Kyriel's land in Caer Galen. There, towards the end of Our reign, We shall honor Lord Giles and other dear friends of the Outlands who are now gone. We ask that you assist Us in Our task by sending Us the names of those Outlanders who have passed on so We may inscribe their names as well.

We would like to thank all of our gracious hosts for their continuing hospitality. Their Excellencies Walter and Fiachra held a marvelous Twelfth Night gala wherein we were feasted, entertained, and well sated by Our good Barony of Caerthe. Our Congratulations to his Lordship Crispin who is now considering elevation into the Order of the Laurel. If accepted, this will be done at the Masked Ball held in Windkeep on March 29th.

We have been well pleased with all of the donations you have given Us. All of the works have been beautiful and We thank you for your efforts. We have seen and heard of so many wonderful things being created by Our populace that it is hardly possible to name them all. Please know however, that all your work truly enriches Our kingdom.

Now to the War effort. We are very pleased with the War training at hand. We summoned Our knights at the al-Barranian Midwinter and asked them to seek those who have been absent from us for a time and to assist our troops with training. We are grateful for the tremendous response. We have seen many old faces on the field and as a result Our warriors are learning well. We now charge Our entire populace to do the same. Find our missing Outlanders! Encourage them to be at Estrella, whether they are historians, fighters, weavers, or bards. Charge them to shine for the Outlands in whatever they do! Charge yourselves to live the Dream! This is what will make Us proud! We look forward to seeing you at War!

FROM THE KINGDOM SENESCHAL

Unto the good people of these fair Outlands come greetings from Maestra Francesca di Pavia, Kingdom Seneschal:

War is upon us! For those traveling to Estrella or to the Great Western War, travel safely and fight honorably for the glory of our beloved Kingdom.

I would like everyone to be very conscious of the image we project to the real world through the media. It is indeed wonderful when the press covers an SCA activity. Take advantage of such an opportunity by presenting the SCA in the best possible way. The people most qualified to speak to reporters are the Seneschal, Hospitaller, or Ruling Nobility of any group. If you are approached by a reporter for an interview or a quote, please direct the person to any of these gentles. Thank you for your help in showing the world the SCA as we know it to be!

This year's Kingdom Arts and Sciences Competition will be held next month in the Shire of Kahlland. I encourage all who can to attend this event. If you have never seen an A&S competition, the skills of the artisans of the Outlands will surely impress you.

Wishing you all a happy Valentine's Day -
Francesca

FROM THE MINISTER OF ARTS AND SCIENCES

The Estrella War Arts & Sciences Competition is here! Remember, this year the A&S Competition will be worth three War Points. The categories are: Armor (heavy and light), Cartography, and Glass. The co-ordinators wish to keep the Competition open to as many items as possible, so use your imagination! Once again our Kingdom is being asked to provide one judge for each of the categories. If you are interested in judging please contact the A&S Deputy, Lady Mina Korabelniovichin, at (505) 255-8482.

The Kingdom Arts & Sciences Competition in the Shire of Kahlland is only a month away. The new Competition Rules and Categories are in this month's Outlandish Herald. Please take the time to review these if you are planning to enter as there have been some changes from the previous years' rules. Copies of the Categories and Rules, as well as sample juding froms and judging criteria, are available from your local Arts & Sciences Officer.

In service to the Outlands,
Marie

FROM THE EXCHEQUER

Greetings to the populace of the Outlands. I hope that your plans for War are well underway. Just a reminder that the local Domesdays are due February 15th. I have many already.

All local officers need to attend the Officers Convocations planned this year. One will be north, one south. More information will be in the OH. If you would like to be an exchequer, you are encouraged to attend. Classes will be held. I would like ideas on what specificially you need help on, and what classes you want to be taught.

There has been a stupendous effort to curb stale checks. Thank you to all who took the time to help. Keep up the good work.

Remember that if your group wants to make a contribution to the Kingdom, you need to have a check made to SCA-Outlands, with the accompanying designation form. Send contributions to the OH to the Kingdom Chronicler, and Kingdom contributions to the Kingdom Exchequer.

In Service,

Aldyth

FROM THE MARSHAL OF FENCE

By way of introduction, I am Don Ian of Nightsgate and at Caer Galen Mid-Winter it was my great privilege to, by the grace of their Majesties, take over the Rapier Marshallate from Don Maximillian Steanbrycg. Through long association, I know of the tremendous time and effort that Don Maximillian has devoted to the art of fence in the Outlands. At this time, I can only hope that I will be able continue to build on the fine foundation that he-and his predecessors-have worked to create.

In order to ensure that the rosters are complete and accurate, all authorizing marshals must contact me within the next month. Please provide me with complete contact information (address, phone number, e-mail address, if one is available) and indicate if you wish to and/or are able to continue your work as an authorizing marshal. I would also like to request that all group rapier marshals and all those individuals authorized for period fence marshaling send me with their contact information as well. This information will help me to compile a list of kingdom fencing "resources" (sorry to make that sound so impersonal) and to answer requests for referral information and assistance.

You may contact me by mail at: 510 South 43rd Street, Boulder, CO 80303; or by phone at (303) 499-7629 (please, no calls after 11 p.m). My e-mail address is: douglash@spectralogic.com

At this time there appears to be some confusion regarding which fencing rules are in force. Until the new rules (which include the provisions for schlager authorization) have been published (or otherwise proclaimed in accordance with Kingdom Law) the old rules remain in force. I believe that the new rules will be published shortly; until then, continue to fence and authorize in compliance with the "old rules".

(Almost) finally, I am looking for individuals who would be willing to serve in the position

of Deputy Marshall of Fence. Tentatively, I am looking for deputies from the Southern, Middle and Northern regions of the Kingdom. Letters of interest should be directed to me. Please include detailed information about your background within the SCA as well as your fencing experience and training (SCA, USFA, collegiate, SAFD, theatrical, etc.). Finally, during my tenure I hope to promote five things in Outlandish fence: Safety (first and foremost), Courtesy, Honor, Skill and Fun. To that end, I welcome everyone's input. Please be generous with your comments, suggestions and recommendations.

In Service,
Ian

FROM THE EDITOR

Greetings to the populace of the Outlands!

As mentioned in last month's Outlandish Herald, this is my first issue as editor. One thing I have already learned is that the gracious Mistress Helena has been quite lenient as regards the article submission deadline. Although this has been a boon to many Gentles, the effect is to make it much harder to get the Herald out on time. Therefore, I must insist on receiving material by the published deadline (which means I must have received it by then, not that it was mailed by then). Part of the reason for this insistence is that we are changing Post Offices, and the expected delivery time for many is going to increase. In particular, third class delivery to Denver is expected to take a week, with much of the Kingdom two or more weeks away. First class to the Southern border will likely be a week after mailing.

I can accept submissions in many formats. In order of preference they are: raw ASCII text via electronic mail, raw text via PC floppy, raw text via Macintosh floppy, or the traditional typed letter. For artwork, I can handle most of the standard electronic formats (TIFF, Postscript, etc); the traditional drawing on paper is also acceptable. Note that I am more likely to make deadline exceptions for electronically-submitted material.

The Chronicler's Office has many duties beyond the obvious one of producing and delivering the Herald. Therefore, I am looking for deputies (yes, several of them). I would like to have someone to conceive of and organize fundraisers, another to handle the bookkeeping, and yet another to act as liaison to the local Chroniclers. My philosophy is that careful delegation and supervision can be used to avoid burn-out and improve the overall operation of the Office. If you are interested in any of these positions, please contact me.

In Service to the Society,

Rüdeger

VOLUNTEERING AT ESTRELLA XIII

Greetings! We are Duchess Amanda Edwin and Mistress Myrddina o Duir, the Volunteer Coordinators for Estrella War XIII.

You already know how important volunteers are. You do not have to be reminded that:

* Without volunteers there would be no Estrella War.

* That your SCA group receives funds for every hour you work.

* You receive tickets for really nifty raffle prizes.

* You meet new people.

You already know this. You've been a volunteer before and we thank you. Now...we are asking you again, to help make this the best war ever. We are asking you to come to Estrella XIII and have a good time, and while you are there volunteer at least two hours of your time. You know you won't regret it.

For this year we are requesting that each group choose a coordinator who is willing to take specific information about who wants to volunteer, at what station, and preferred times. This person will send the information to us and we will create the master schedule. SIGN-UP EARLY, SIGN-UP OFTEN, HAVE YOUR FRIENDS SIGN-UP ALSO!! There is a much better chance of getting the area and the times that you want if you sign-up before the war. For those of you that work between midnight and 8:00am, you will receive double tickets.

If you are a first time volunteer, do not be shy. A willingness to volunteer is the only requirement needed for many of the positions available.

If you have any further questions, please do not hesitate to contact either of us. Duchess Amanda can be reached at 520-3050775, and Mistress Myrddina at 520-455-5835. If possible, please call us before 11:00pm. After 11:00pm, our phones will take messages for us, and we will return your call as soon as possible.

It was brought to Our attention, and to the attention of Their Majesties Atenveldt, by the Society Marshal, that there may be some misunderstanding of the intentions of two specific areas of the Estrella War Treaty. I will address these so that any confusion will be alleviated.

a) Under the heading Marshaling, second paragraph, wherein it states, "If for any reason a fighter not of that marshals realm should be removed, the marshal should wait until the end of the battle and consult with the individual(s) in question."

Although it is preferred that only a marshal from a similar kingdom to an offender pull said offender from the field, due to that marshal's immediate knowledge of their laws, it is within ANY marshal's authority to remove any fighter defiant of the laws of the Society. This marshal shall contact the Crown of that kingdom, who will then contact the Principal Crowns to determine further action at the end of the battle in question.

b) Under the heading Armor and weapon standards, first paragraph, wherein it states, "Inspections should be completed before the war, however they will be available on site."

It should be known that the intentions of this paragraph are to see that a minimal amount of time be spent dealing with on-site armor/weapon improvements and repair in order to comply with the standards of one's kingdom. There will be armor inspections at the war and prior to the war. Everyone must fully pass the requirements of their kingdom of residence before they will be allowed on the battlefield.

If you need further clarification on this please contact your local marshal or speak with me directly.
